SUBJECT: Office of Housing 2012 Work Program

The annual Work Program for the Office of Housing (OH) is required to be adopted by Resolution. A presentation and discussion of the Work program for 2012 is scheduled for the January 25 Committee meeting.

The entire Work Program is attached. Also attached is a summary page that outlines OH's Mission and the 5 program area priorities included in the Work Program. Noted in that summary page are key activities for the year that we'll be reviewing with you in more detail at the meeting.

The Work Program is still a draft---we wanted to discuss highlights with you and go over possible work program items you would like OH to include this year. Following the meeting discussion we will prepare the resolution package for adoption.

Please let me know if you have questions.
